INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose.

The Commission is organized and exists under and pursuant to N.J.S.A. 58:5-1 et seq., and is a public body politic and corporate formed by its member municipalities and authorized to acquire, develop and operate a water supply system for use by any municipality in the Counties of Sussex, Warren, Hunterdon, Passaic, Morris, Monmouth, Somerset, Bergen, Hudson, Essex, Union and Middlesex (the "District"). Pursuant to its enabling legislation, the Commission is authorized to finance, construct and place into operation, and operate and use facilities deemed necessary for and incidental to the treatment, filtration, transmission and distribution of potable water for the benefit of municipalities within the District. The Commission presently contracts with municipalities, regional municipal purveyors, and publicly and privately-owned utilities. It is operated on a non-profit basis and funded through the municipalities and utilities that are contract participants of the Commission.

Through its Wanaque North and South projects, the Commission provides potable water to numerous contracting municipalities. In addition, the Wanaque South Project includes a joint venture between the Commission and Suez-New Jersey.

The Commission is soliciting Proposals from interested firms for the provision of General Consulting Engineering Services, as more particularly described herein. Through this RFP, firms interested in assisting the Commission with the provision of the Services must prepare and submit a Proposal in accordance with the procedures and schedule in this RFP. The Commission will review Proposals only from those firms that submit a Proposal that includes all the information required to be included as described herein (in the sole judgment of the Commission).

1.2. Procurement Process and Schedule.

The Commission has structured a competitive process that seeks to obtain the desired results described above in order to assure that each person and/or firm is provided an equal opportunity to submit a Proposal in response to the RFP. Proposals will be evaluated in accordance with the criteria set forth in Section 5 of this RFP, which will be applied in the same manner to each Proposal received.

The award of a contract to the Selected Respondent is subject to P.L. 2005, c. 51 (Chapter 51), codified at N.J.S.A. 19:44A-20.13 et seq., and Executive Order 117 (2008) (commonly known as "pay to play" limitations) and the New Jersey Election Law Enforcement Commission disclosure requirements set forth in P.L. 2005, C. 271, as amended, codified at N.J.S.A. 19:44A-20.26, and as more fully described in Section 1.8 of this RFP. Respondents, as part of this procurement process and, if

selected, must at all times abide by all requirements of New Jersey law, and all relevant Executive Orders.

Proposals will be reviewed and evaluated by a Commission-established "Evaluation Committee" to determine if each Respondent has met the required professional and administrative requirements set forth in this RFP. Under no circumstances will a member of the Evaluation Committee review responses to an RFP for services for which they or their firm submitted a response hereunder. Based upon the totality of the information contained in the Proposal, including information about the reputation and experience of each Respondent, the Commission will, in its sole judgment, determine which Respondents are qualified from professional, administrative and financial standpoints. Each Respondent who meets the requirements of the RFP, in the sole judgment of the Commission, will be designated as a qualified respondent and, from that pool of qualified respondents; the Commission will choose the Selected Respondent.

The RFP process commences with the issuance of this RFP. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Commission reserves the right to amend, modify or alter the Procurement Schedule upon notice to all potential Respondents.

All Respondents shall be required to execute a Confidentiality & Non-Disclosure Agreement (NDA) with the Commission for all information utilized and generated as part of this Contract. The Confidentiality & Non-Disclosure Agreement must be returned to the Commission prior to the execution of the Contract for the Services outlined in this RFP. The Confidentiality Agreement shall extend, if applicable, to the Respondent's subconsultants. A sample Confidentiality & Non-Disclosure Agreement may be found in Exhibit A of this RFP.

b. Breach of Contract.

It shall be a breach of the terms of any contract for the Contractor to (i) make or solicit a contribution in violation of the terms of this section, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate for or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would subject that entity to the restrictions of this section; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of this section; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of this section.

c. Certification and Disclosure Requirements.

(i) The Commission is prohibited from entering into a contract with any Contractor for services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Contractor has solicited or made any contribution of money, or pledge of

contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee: (1) within the eighteen months immediately preceding the commencement of negotiations for the contract or agreement; (2) during the term of office of a Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of such term; or (3) within the eighteen months immediately preceding the last day of the term of office of Governor, in which case such prohibition shall continue through the end of the next immediately following term of the office of Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of the latter term. Effective November 15, 2008, Executive Order No. 117 extends the above prohibition to contributions made to a candidate committee or election fund of any candidate for or holder of the office of Lieutenant Governor, and to contributions made to a legislative leadership committee or a municipal political party committee.

(ii) At the time of the submission of its Proposal, a Contractor shall report all contributions the Contractor made during the preceding four years to any political organization organized under 26 U.S.C. 527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required forms and instructions are included in this RFP package (See Attachment #1) and must be returned with a Contractor's Proposal fully complete. ***Failure to submit the fully completed Certification and Disclosure(s) with a Proposal may result in the rejection of the Proposal, as well as preclude future contract opportunities (in the sole judgment of the Commission).***

(iii) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions are available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.shtml> and shall be provided to the intended awardee with the Notice of Intent to Award.

The Commission shall ensure that the disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the Contractor are reviewed by the appropriate authorities. If it is determined that any contribution or action by the Contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under

this solicitation, the Commission shall disqualify the Contractor from award of such contract.

1.9. Requirements of Executive Order #37.

The Respondent may use materials during this oral presentation; provided, however, that the presentation will be

restricted to a maximum time period specified by the Commission, including the time allotted for a question and answer period. INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

Nothing in this Agreement shall prohibit or interfere with the ability of counsel for any party to represent any individual, corporation, or other entity adverse to any party or its affiliate(s) in connection with any other matters.
16.
