execution of contract and the provision of performance security and insurance.

All bid security, except the security of the apparent three (3) lowest responsible bidders will be, unless requested by the bidder, returned within ten (10) days after the opening of the bids (Saturdays, Sundays and holidays excepted). The bids of all bidders, other than the three apparent lowest responsible bidders, shall be considered officially withdrawn. Within three (3) days after the awarding of the contract **and** the approval of the Contractor's performance bond (if required in the terms of this Contract) and insurance, the bid security of the remaining unsuccessful bidders shall be returned to them (Saturdays, Sundays and holidays excepted).

Default: In case of bidder default, such check or bond shall be retained by the Commission to be applied for the expenses incurred by the Commission in (i) rebidding the Contract and (ii) payment of any difference between the bid price and the price the Commission may be required to pay upon awarding this Contract to a subsequent bidder.

Surety's Consent: Every bid must be accompanied by a consent in writing of a surety company (or surety companies) qualified to do business in the State of New Jersey, who shall, at the time of submission of such bid, qualify as to its (or their) responsibility in the amount of such bid, and, furthermore, bind itself (or themselves) in such form as shall comply with the requirements of the Statutes of the State of New Jersey in respect to Bonds of Contractors on Public Works, N.J.S.A. 2A:44-143 to 2A:44-147, as amended and supplemented, as follows:

That upon the awarding of the said Contract to the person (or persons) making the bid, the said surety company (or surety companies) shall become surety, firstly, for the faithful performance of the said work, and secondly, for the protection of all persons performing labor, or furnishing labor or materials. Therefore, as required by law, said performance bond is to be in an amount equal to **ONE HUNDRED PERCENT (100%)** of the contract price.

The bidder should use the Surety Consent Form provided by the Commission for the reasons stated on the bottom of the form.

Payment and Performance Bond: The Contractor to whom the Contract is awarded shall give a bond for **ONE HUNDRED PERCENT (100%)** of the Contract price in satisfactory legal form of a surety company or companies authorized to do business by, and operating in accordance with, the laws of the State of New Jersey, and to be approved by the Commission for the faithful performance of all provisions of the Contract relating to work included in these Specifications, including the safeguarding against infringement of any or all patents; and said bond to be canceled upon the performance of the conditions therein specified and upon the payment for final delivery of materials or services under these Specifications. In addition, this bond shall protect all persons furnishing materials or labor to the contractor or any subcontractors for the completion of said contract in accordance with the laws of the State of New Jersey, and shall be in such legal form as shall satisfy the requirements of N.J.S.A. 2A:44-143 to 2A:44-147, and amendments and supplements thereto, and shall not be canceled and returned until such time as the Commission determines that all liability to any

Non-Collusion: Bidders are required to give their names together with the address of their places of business. If a corporation, the affidavit must be signed by a corporate officer. In case it is discovered that a person or persons submitting a bid is interested in any manner in any other bid for the same piece of work, both such bids will be deemed thereby to be rendered informal and will not be considered. This provision shall not prevent a party from quoting prices on materials or equipment to more than one bidder. Every bid to be conforming must be in all respects fair and without collusion or fraud and Bidders shall expressly represent that the Bidder is the only person interested in said bid; that it is made without any connection with any person submitting another bid for the same Contract; that the bid is in all respects fair and without collusion, fraud or mental reservation; that no official of the Commission or any person in the employ of the Commission is directly or indirectly interested in said bid or in the supplies or work to which it relates, or in any portion of the profits thereof. Balanced Bidding: Any bid which, in the opinion of the Commission, is unbalanced, may be rejected.

Authorized to Reject Bids: The Commission reserves the right to abandon the bid process or reject all bids and re-advertise and award the Contract in the regular manner if, in its judgment, such action will best serve the interest of the Commission.

Brand Name or Equivalent: Wherever a brand name is designated in the bid documents, it shall mean “brand name or equivalent.” Bidders will be required to demonstrate to the Commission that equivalent products are both compatible and effective, in the sole discretion of the Commission.

Award-of Contract: The Contract will be awarded to the lowest responsible and complying bidder, who in the judgment of the Commission is qualified to do the work and is fully compliant with the technical specifications (see Attachment #1). The Commission reserves the right to reject any and all bids, and to waive minor or non-material nonconformities.

Worker and Community Right-to-Know Act (N.J.S.A. 34:5A-1 et seq.; N.J.A.C. 7:1G): This Act requires employers to label all containers of hazardous substances. All goods offered for purchase to the Commission must be labeled in compliance with the provisions of this Act.

ORECHIO DRIVE, WANAQUE, NEW JERSEY 07465.** Questions may be faxed to Sheryl Minerley at 973-835-5706 or e-mailed to sminerley@njdwsc.com. Requests for interpretations received later than at least fifteen (15) business days prior to the date fixed for the opening of bids will be considered untimely, and, at the sole discretion of the Commission, will not be considered. Notice of interpretations or corrections and any supplemental instructions in the form of written addenda to the bid documents will be published in a legal newspaper and e-mailed to bidders, not later than seven (7) days (Saturdays, Sundays and Holidays excepted) prior to the date fixed for the opening of bids. The failure of any bidder to receive any such addenda or interpretations shall not release said bidder from any obligations under his bid as submitted. All addenda so issued shall become part of the bid documents. Only the written interpretations, corrections, and addenda so given by **SHERYL MINERLEY, “ACTING” CONTRACT ADMINISTRATOR,** shall be binding, and the prospective bidders are warned that no other officer, agent or employee of the Commission is authorized to give information concerning, or to explain or interpret, the bid documents.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

Instructions for Completing the Form
